Section 1

Introduction

This directory provides a list of Align Dual Partnership Plan's network providers, facilities and pharmacies within the plan's service area (North Dakota counties of Burleigh, Cass and Morton).

PROVIDERS & FACILITIES:

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. When you become a member of Align Dual Partnership, you may choose a network provider to be your PCP from a select group of our plan's network providers. You should see your PCP first for most of your routine health care needs. Your PCP can provide much of your care and can help you arrange or coordinate the rest of the covered services you get as a member of our plan. You do not need a referral (approval from your PCP) to see a network or out-of-network specialist or other provider.

Out-of-network providers are under no obligation to treat our enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service Department at (888) 278-6485 (TTY: 711), 8 a.m. to 9 p.m. CST, 7 days a week, October 1-March 31 except on Christmas and Thanksgiving, and Monday through Friday all other dates except on federal holidays. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

If you receive a bill from an out-of-network provider, you should not pay the bill, unless you have received an Explanation of Benefits (EOB) that details what the plan will pay for your service, and any remaining balance you will need to pay. If you receive a bill from an out-of-network provider, but have not yet received an EOB, please submit the bill to your plan or ask the provider to submit the bill to your plan for you. If you are using an out-of-network provider for emergency care, urgently needed services, or out-of-area dialysis, you may not have to pay a higher cost-sharing amount. You may refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

PHARMACIES

This booklet provides a list of our plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Align Dual Partnership Plan's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of the date listed in the footer of the directory pages. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with "**P**" to distinguish them from other pharmacies in our network that offer standard cost sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

Introduction Continued

This directory is for your service area including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call customer service at (844) 642-9090 (TTY: 711).

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

We can also give you information in alternate formats such as braille, audio or large print. To get information from us in a way that works for you, please call the plan's Customer Service Department.

Mail Order Pharmacies

With the Align Dual Partnership Plan Mail Order Pharmacy Network, you can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us at least 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us at [(844) 642-9090 (TTY: 711)].

Typically, you should expect to receive your prescription drugs within 10 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us by phone at [(844) 642-9090 (TTY: 711), 24 hours a day, 7 days a week, or visit align.sanfordhealthplan.com/pharmacy-and-drug-coverage].

Home Infusion Pharmacies

For more information on our network Home Infusion Pharmacies, please contact us by phone at [(844) 642-9090 (TTY: 711), 24 hours a day, 7 days a week, or visit align.sanfordhealthplan.com/pharmacy-and-drug-coverage].

Long-Term Care Pharmacies

Residents of a long-term care facility may access their prescription drugs covered under the plan through the facility's long-term care pharmacy or another network long-term care pharmacy.

Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies

Only Native Americans and Alaska Natives have access to Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies through the plan's pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g., emergencies).

For more information on our network I/T/U Pharmacies, please contact us by phone at [(844) 642-9090 (TTY: 711), 24 hours a day, 7 days a week, or visit align.sanfordhealthplan.com/pharmacy-and-drug-coverage].
