# Introduction

This booklet provides a list of our plan's network pharmacies located within the Align powered by Sanford Health Plan service area. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Align powered by Sanford Health Plan's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

There are network pharmacies outside of the service area, and all network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of the date listed in the footer of the directory pages. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with "**P**" to distinguish them from other pharmacies in our network that offer standard cost sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

## Introduction Continued

This directory is for your service area including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call customer service at (844) 642-9090 (TTY: 711).

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

We can also give you information in alternate formats such as braille, audio or large print. To get information from us in a way that works for you, please call the plan's Customer Service Department.

## Mail Order Pharmacies

With the Align powered by Sanford Health Plan Mail Order Pharmacy Network, you can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us at least 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us at [(844) 642-9090 (TTY: 711)].

Typically, you should expect to receive your prescription drugs within 10 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us by phone at [(844) 642-9090 (TTY: 711), 24 hours a day, 7 days a week, or visit [align.sanfordhealthplan.com/pharmacy-and-drug-coverage](http://align.sanfordhealthplan.com/pharmacy-and-drug-coverage)].

## Home Infusion Pharmacies

For more information on our network Home Infusion Pharmacies, please contact us by phone at [(844) 642-9090 (TTY: 711), 24 hours a day, 7 days a week, or visit [align.sanfordhealthplan.com/pharmacy-and-drug-coverage](http://align.sanfordhealthplan.com/pharmacy-and-drug-coverage)].

## Long-Term Care Pharmacies

Residents of a long-term care facility may access their prescription drugs covered under the plan through the facility's long-term care pharmacy or another network long-term care pharmacy.
