

Can I get extra help to pay for my Medicare costs?

If you have limited income or resources, you may qualify for the **Extra Help program** and Medicare may pay some or all of your Part D premium. Extra Help is only available for Part D prescription costs and not for medical benefits. The reduced amounts in the charts below reflect the premium you would pay and do not include Part B premiums.

YOU MUST CONTINUE TO PAY YOUR PART B PREMIUM.

If you are already getting Extra Help, you may receive (or have received) a letter from Medicare or the Social Security Administration about your eligibility. Read this important information carefully.

To apply for Extra Help, call Social Security at **(800) 772-1213** (TTY (800) 325-0778) to apply over the phone or to request a paper application. You can also apply online at ssa.gov or at your local Social Security office.
