# Healthy Benefits+™ flex card

The Sanford Health Plan Healthy Benefits+ flex card gives you the flexibility to choose how to spend your allowance dollars, helping your benefits go further. The flex card includes a quarterly allowance for over-the-counter (OTC) products and an annual allowance for dental, hearing and vision out-of-pocket expenses.

## MORE ACCESS TO BENEFITS

You can redeem your OTC allowance at almost 800 in-network retailers in North Dakota, South Dakota, Iowa and Minnesota, including Lewis Drug, Walgreens and Walmart. You can also purchase items from home using a catalog or through the Healthy Benefits+ member portal.

For added flexibility, you can spend your dental, hearing and vision allowance with any provider, regardless of network, as long as your services are for dental, hearing and vision needs. However, choosing an in-network provider can help your dollars go further. The Healthy Benefits+ flex card is as easy to use as a credit card wherever Visa® is accepted and the merchant is categorized as either dental, hearing or vision.
