Member Travel, Lodging and Meal Guide for North Dakota Medicaid Expansion
How it works

*Do you have a doctor’s appointment that will take you away from home for a day or longer? Are you worried about how you’ll get there, what you’ll eat and where you’ll stay? We can help.*

Sanford Health Plan can help with rides, meals and a place to stay overnight at no cost to you when the appointment is medically necessary and meets North Dakota Medicaid Expansion rules.

Simply call us at least two business days in advance for approval.

**Sanford Health Plan cannot pay you back for amounts you pay to providers.** All transportation, meal, and lodging providers must bill us directly for covered services. For example, if you pay for a ride yourself, the law says we cannot send you money, even if you have a receipt.

**Transportation**

If you cannot get a ride from family, friends, volunteer groups or carpools, we can help. We will take you to and from your medical appointment or to pick up your drugs at a pharmacy. Here are the rules:

- You must be unable to find a ride.
- Travel is for routine, non-emergency, medical appointments.
- For Members of any age, the appointment must be for a covered medical service or for going to the pharmacy to get a prescription after your appointment.
- All travel and medical visits must be approved ahead of time before travel is arranged.

**Important**

*You must be at your pick up location on time.* If you cancel or do not show up for your ride, drivers can refuse to give you rides again. You must call us at least two business days in advance if your plans or appointment time changes.

**Meals**

We will only allow pre-approved meals when a medical appointment and travel requires you to stay overnight or past 10 p.m. Each day, you have a set budget to spend on meals. Any cost above this amount is your responsibility.

**Lodging**

We only arrange pre-approved stays when a medical appointment may require you to stay overnight. When calling the Transportation Coordinator, please tell us:

- Your expected check-in and check-out date.
- Any special needs you may have, like if you are in a wheelchair or have a service animal.

If you choose to stay longer or have other charges, like movies, billed during your stay, you are responsible for paying them. You must tell us if your medical appointment makes you stay longer, and the place where you are staying.
