

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, sanfordhealthplan.com/sbcfinder or by calling 1-800-752-5863 (toll free) | TTY/TDD: 1-877-652-1844 (toll-free). For general definitions of common terms, such as allowed amount, balance-billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary/> or call 1-800-752-5863 to request a copy.

| Important Questions | Answers | Why This Matters: |
|---|--|---|
| What is the overall deductible? | For <u>network providers</u> \$500 individual / \$1,000 family. No out-of-network coverage. Copays do not apply to deductible. | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family deductible. |
| Are there services covered before you meet your deductible? | Yes. <u>Preventive care</u> and primary care services are covered before you meet your deductible. | This plan covers some items and services even if you haven't yet met the deductible amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive services</u> without cost-sharing and before you meet your deductible. See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ . |
| Are there other deductibles for specific services? | No. | You don't have to meet <u>deductibles</u> for specific services. |
| What is the <u>out-of-pocket limit</u> for this plan? | For <u>network providers</u> \$1,250 individual / \$2,500 family. No out-of-network coverage. | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. |
| What is not included in the out-of-pocket limit? | Premiums, <u>balance-billing</u> charges, and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> . |
| Will you pay less if you use a <u>network provider</u> ? | Yes. See www.sanfordhealthplan.com or call 1-800-752-5863 for a list of <u>network providers</u> . | This plan uses a <u>provider network</u> . You will pay less if you use a provider in the plan's network. You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (<u>balance-billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your provider before you get services. |
| Do you need a referral to see a specialist? | No. | You can see the in-network <u>specialist</u> you choose without a <u>referral</u> . |
