NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit <u>sanfordhealthplan.com/sbcfinder</u> or call 1-800-752-5863 (toll free) | TTY/TDD: 711. Important Questions	Answers	Why This Matters:
What is the overall deductible?	For network providers \$5,700 individual / \$11,400 family. For out-of-network providers \$11,600 individual / \$23,200 family. Copays do not apply to deductible.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Preventive care and primary care services are covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u> <u>services</u> without cost-sharing and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan?</u>	For network providers \$7,200 individual / \$14,400 family. For out-of-network providers \$14,400 individual / \$28,800 family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit for this plan?	Premium, balance-billing charges (unless balanced billing is prohibited), and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See www.sanfordhealthplan.com or call 1-800-752-5863 for a list of network providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a provider in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a provider for the difference between the <u>provider</u> 's charge and what your <u>plan</u> pays (balance billing). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your provider before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the in-network specialist you choose without a referral.
