Important Questions	Answers	Why This Matters:
What is the overall deductible?	For <u>network providers</u> \$3,500 individual / \$7,000 family. For <u>out-of-network providers</u> \$7,000 individual / \$14,000 family. Copays do not apply to deductible.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. <u>Preventive care</u> and primary care services are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without cost-sharing and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	For <u>network providers</u> \$7,250 individual / \$14,500 family. For <u>out-of-network providers</u> \$18,200 individual / \$36,400 family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit for this plan?	<u>Premium</u> , <u>balance-billing</u> charges (unless balanced billing is prohibited), and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. See www.sanfordhealthplan.com or call 1-800-752-5863 for a list of <u>network providers</u> .	You will pay the least if you use a provider in the Sanford Preferred <u>network</u> . You pay more if you use a provider in the Affiliated network. You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a provider for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (balance billing). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the in-network <u>specialist</u> you choose without a <u>referral</u> .
